

# SHATTER YOUR LIMITS

HALFWAY THROUGH YOUR LAST SET YOUR MUSCLES LAPSED INTO STAGNATION leaving you pinned under those heavy-ass dumbbells. Every last thread of muscle fiber seemingly drained of its will to contract, nestled in its comfort zone refusing to budge. No matter how hard you attempt to crank out musclebuilding reps, you may not be fully activating your genetic growth signals. Unleash insane growth with the world's most powerful muscle gene-activating formula – Anator-p70™. Scientifically engineered to shock cells with potent gene-stimulating compounds, Anator-p70 sets off powerful muscle growth-signaling cascades while simultaneously shutting down the catabolic signals that congest your musclebuilding pathways. Don't let genetics confine your musclebuilding potential. Shatter your limits to growth with Anator-p70!
